

# CAST24

Everything's Connected

Presented by  **STAT** SCIENCE TEACHERS ASSOCIATION of TEXAS

**November 14-16 | San Antonio**  
Henry B. González Convention Center

For more than 60 years, the Science Teachers Association of Texas (STAT) has presented the [Conference for the Advancement of Science Teaching, or CAST](#). Over the years, CAST has evolved into the preeminent, must-attend event for thousands of science educators and advocates from across Texas and the entire Southwest. STAT is thrilled to return to San Antonio this November 14-16.

## Everything's Connected

Ready to ignite your inquiry and discovery skills? Experience [powerful professional learning](#) that will help you connect with your curiosity, implement the revised Science TEKS, and succeed this school year—and beyond.

Excited to get inspired by your peers and top educational thought leaders? Connect with your Texas science community through [education and networking opportunities](#) you can't find anywhere else.

Eager to return to the classroom revitalized with new ideas and resources? [Gain the knowledge](#) you need to connect students with new ideas and experiences that inspire their discovery of the world through science.
